## PLACEMENT / MANAGEMENT

SOIL ADAPTABILITY

drought prone.

E = excellent, VG = very good, G = good, F = fair,

**GEOGRAPHIC ZONE ADAPTABILITY** 

RATING

Е

Е

Е

Е

NR = not recommended.

Push populations for best performance. Consistent performance across soil types. Fungicide recommended to achieve maximum yields from this exciting hybrid.

SOIL CATEGORY

**LIGHT SOILS** – LOW CEC (<10); OM <1.5%;

low water-holding capacity; non-irrigated

sand; timber soils; marginal productivity;

**MEDIUM SOILS** – CEC 11–18; OM 1.5-3.5%; well-drained; silt loam; high productivity.

**DARK SOILS** – HIGH CEC (>18); OM >3.5%; well-drained; dark colored soils.

**POORLY-DRAINED** – Soils that have the potential to remain saturated for prolonged periods; side hill seeps; gumbo; muck.

ANTHRACNOSE TOLERANCE	7

Widely-adapted, high yielding hybrid

- Impressive standability provides harvest flexibility
- Excellent northern and southern leaf blight tolerance
- Impressive grain quality, very high test weight

## CONTINUOUS CORN MANAGEMENT

- Monitor for foliar diseases and consider a fungicide application as warranted.
- Manage residue to minimize Goss' wilt risk.

LEGEND: E = early for maturity, A = average for maturity, L = late for maturity; M = medium, MS = medium short, MT = medium tall, T = tall; H = high, MH = medium high, ML = medium low; F = flex, SF = semi-flex, D = determinate, SD = semi-determinate. Numerical ratings are based on comparisons among Wyffels hybrids of like maturity where 1 = Low, 5 = Avg, and 9 = High expressions of a trait.

ZONE ADAPTABILITY

4 5

Always follow IRM, grain marketing and all other stewardship practices and pesticide label directions. Roundup Ready<sup>®</sup> technology contains genes that confer tolerance to glyphosate, an active ingredient in Roundup<sup>®</sup> brand agricultural herbicides. Agricultural herbicides containing glyphosate will kill crops that are not tolerant to glyphosate. **B.t. products may not yet be registered in all states**. Check with your Seed Representative for the registration status in your state.
